

HSFM 2021-22 Class Schedule

The registration fees are shown as two numbers, such as 280/50 and refer to the registration fee (280) and the material fee (50) for the academic school year.

Prices apply to classes with six or more students. A small price adjustment *may* be needed for classes with fewer students.

The schedule layout lists classes *per period from Youngest to Oldest*. The color-coding helps to find classes quickly according to grade levels ~

~~~**GREEN** (younger/middle elementary) ~~~**BLUE** (elementary/Jr high) ~~~**RED** (Jr high & High School) ~~~

| 8:30-9:35                                                  | 9:40-10:45                                                                                                                                                   | 10:50-12:10                                                                                                                                                  | Lunch | 12:40-1:40                                                                                                                                              | 1:45-2:45 & 2:45                                                                            |
