

HSFM 2021-22 Class Schedule

The registration fees are shown as two numbers, such as 280/50 and refer to the registration fee (280) and the material fee (50) for the academic school year.

Prices apply to classes with six or more students. A small price adjustment *may* be needed for classes with fewer students.

The schedule layout lists classes *per period from Youngest to Oldest*. The color-coding helps to find classes quickly according to grade levels ~
